EDUCATION

B.A. in Anthropology, University of South Carolina, 1988.

Field School: 1981 Field Season at 38KE12, Mulberry Plantation, Kershaw County, South Carolina.

M.A. in Anthropology, University of Georgia, 1993.

Thesis Topic: *Mississippian Settlement Patterns in the Etowah River Valley Near Cartersville, Bartow County, Georgia.*

AREAS OF SPECIALIZATION

Historic Indian (Yamasee) Occupation of South Carolina
Mississippian Settlement Patterns in the Etowah River Valley
Material Culture Replication (lithics and ceramics)
Vertebrate Faunal Analysis

PROFESSIONAL ORGANIZATION MEMBERSHIP

Archaeological Society of South Carolina (Life Member)
Georgia Council of Professional Archaeologists
North Carolina Archaeological Society (Life Member)
North Carolina Professional Council
Georgia Archaeology Society (Life Member)
Society for American Archaeology
Southeastern Archaeological Conference

EMPLOYMENT HISTORY

Field Experience

2005: Principal Investigator/Field Director, Archaeological evaluation of 9BR6 for the Riverside Court and Park Court Gas Service Lines, Cartersville, Georgia (prepared for City of Cartersville). Archaeological Consultants of the Carolinas, Inc., Clayton, North Carolina.

2005: Principal Investigator/Field Director, Archaeological evaluation of 9BR96 for the Carter Grove Plantation Sewer Line and Lift Station Number One, Cartersville, Georgia (prepared for Smith & Smith). ACC, Inc., Clayton, NC.

2005: Principal Investigator/Field Director, Cultural Resources Survey and Archaeological Testing at the South Island

Plantation Tract, Georgetown County, South Carolina (prepared for DDC). ACC, Inc., Clayton, NC.

2005: Principal Investigator/Field Director, Data Recovery at 38HR490 at the Cypress River Plantation, Horry County, SC. Work conducted for DDC Engineers. ACC, Clayton NC.

2004: Principal Investigator, Archaeological Survey of the 230 kV Steelberry Transmission Line Relocation Corridor, Gaston and Mecklenburg Counties, North Carolina (prepared for Framatome, ANP). ACC, Inc., Clayton, NC.

2004: Archaeological Evaluation of the Douthit Ferry Road National Gas Main Extension, Cartersville, Georgia (prepared for City of Cartersville). ACC, Inc., Clayton, NC.

2004: Principal Investigator, Archaeological assessment of historic iron mining activities at the 190 acre Victory Trail Tract, Cherokee County, South Carolina (prepared for ENSR). ACC, Inc., Clayton, NC.

2004: Principal Investigator/Field Director, Data Recover at 38HR475 and 38HR476 at Glen Dornoch Golf Course, Horry county, South Carolina. Work conducted for WESI. ACC, Selma, NC.

2004: Principal Investigator/Field Director, Site Delineation and Evaluation of 38HR508, a late 19th/early 20th century house site at the Scotty Smith Property (prepared for ENSR). ACC, Inc., Selma, NC.

2004: Principal Investigator/Field Director, Archaeological Evaluation of the Nancy Creek Sewer Line, Bartow County, Georgia (prepared for Bartow County Water Department). ACC, Inc., Selma, NC.

May 2004: Principal Investigator/Field Director, Archaeological Survey of the 6.66 km Neuse River East Parallel Interceptor Sewer Line, Wake County, North Carolina (prepared for Robert J. Goldstein). ACC, Inc., Selma, NC.

2004: Principal Investigator/Field director, Survey of a 1.6 km corridor and a 5.0 hectare substation tract for the Cross Roads 100 kV Transmission Line and Substation Tract, Pickens County, South Carolina (prepared for Framatome, ANP). ACC, Inc., Selma, NC.

2003: Co-Field Director, Archaeological Survey and Testing at 38HR475 and 38HR476, Glen Dornoch Golf Course, Horry County, South Carolina (prepared for WESI). ACC, Inc., Selma, NC.

September 2003: Co-Principal Investigator/Field Director, Archaeological Survey of 392 Acres, Sumter National Forest, Edgefield and McCormick Counties, South Carolina. Work conducted in partnership with TRC (Columbia, SC) for the US Department of Agriculture, US Forest Service by Archaeological Consultants of the Carolinas, Inc. (ACC, Inc.), Selma, NC.

August 2003: Principal Investigator/Field Director, Archaeological Survey of the 4,300 Acre Brights Creek Development Tract, Polk County, North Carolina. Work conducted for LandDesign, Inc. by ACC, Inc., Selma, NC.

July 2003: Principal Investigator/Field Director, Cultural Resources Survey of approximately 175 acres at the Bridgewater Paddy Creek Borrow Tracts, Burke and McDowell Counties, NC. Work conducted for Devine, Tarbell & Associates, Inc and Duke Power by ACC, Inc., Selma, NC.

June 2003: Principal Investigator/Field Director, Archaeological Reconnaissance of the Deep Gap Farm Tract, Polk County, North Carolina. Work conducted for LandDesign, Inc. by ACC, Inc., Selma, NC.

March 2003: Principal Investigator/Field Director, Cultural Resources Assessment at Lake Blackshear, Georgia. Work conducted for Crisp County Power Commission by Brockington and Associates (B and A), Raleigh, NC.

June-July 2002: Principal Investigator/Field Director, Archaeological Evaluation of the Rockmart Road Water Main, Bartow County, Georgia. Work conducted for the Bartow County Water Department, Cartersville, Georgia, by B and A, Inc, Raleigh, NC

May 2002: Principal Investigator/Field Director, Archaeological Evaluations at the Leake Site (9BR2/663) at the 84 Lumber Tract, Bartow County, Georgia. Work conducted for 84 Lumber by B and A Raleigh, NC

October-December 2002: Principal Investigator/Field Director, Shoreline Surveys at Fishing Creek, South Carolina and Lake James and Lake Norman, North Carolina. Conducted for Duke Power by B and A, Raleigh, NC

June 2002 - Principal Investigator/Field Director, Intensive Archaeological Survey of the Duplin County Agricultural Center, Duplin County, North Carolina. Work conducted for the Duplin County Planning Commission by B and A, Raleigh, NC

November 2001: January 2002: Principal Investigator/Field Director, Cultural Resources Survey of the Columbia Energy Center 230 kV and 115 kV transmission lines, Calhoun, Lexington, and Richland Counties, South Carolina. Work conducted for Burns & McDonnell and SCE&G by B and A, Raleigh, NC

August 2001: Principal Investigator/Field Director, Cultural Resources Investigation of the Brownfield Tract, Wake County, North Carolina. Prepared for Joyce Engineering by B and A, Raleigh, NC

May-July 2001: Principal Investigator/Field Director, Archaeological Survey of the Jefferson Lateral Natural Gas Pipeline, Watauga and Ashe Counties, North Carolina. Prepared for RKK Engineers by B and A, Raleigh, NC

April, 2001: Principal Investigator, Archaeological Survey of 18 hectare Landfill Borrow Pit Tract at Camp Lejeune Marine Base, Onslow County, North Carolina. Work conducted for Avolis Engineering by B and A, Raleigh, NC.

March 2001: Principal Investigator, Cultural Resources Survey of 258 Hectare Town Center Tract, Horry County, South Carolina. Work conducted for the International Paper Realty Corporation by N.C. by B and A, Raleigh, NC.

December 2000: Principal Investigator, Cultural Resources Survey of Approximately 4.8 km Along the Boone Lateral Natural Gas Pipeline Corridor, Watauga and Wilkes Counties, North Carolina. Work conducted for Frontier Energy by B and A, Raleigh, NC.

August 2000; Principal Investigator, Archaeological Survey of 2.6 Hectare Mason's Bluff Development Tract, and Evaluation of 31NH281, New Hanover County, North Carolina. Work conducted for Galarde and Company by B and A, Raleigh, NC.

July 2000; Principal Investigator, Archaeological Survey of Groundwater Contamination Remediation Areas, Milan Army Ammunition Plant, Carroll and Gibson Counties, Tennessee. Survey of selected areas in the Rutherford Fork Obion River drainage of west Tennessee. Work conducted for the U.S. Army Corps of Engineers, Mobile District by B and A., Raleigh, NC.

May 2000; Principal Investigator, Archaeological Survey of Fort Buchanan, Puerto Rico. US Army Base in foothills of northern coast of Puerto Rico. Work conducted for the U.S. Army Corps of Engineers, Mobile District by B. and A., Raleigh, NC.

June-July 1999; Principal Investigator/Field Director, Data Recovery Excavations at 38BU1609 (Locus 1), Beaufort County, South Carolina. Coastal site with early 18th century Yamasee Indian occupation. Work conducted for the Chechessee Land and Timber Company by Brockington and Associates, Inc., Atlanta, GA.

March-April 1999; Principal Investigator/Field Director, Data Recovery Excavations at 38BU1605, Beaufort County, South Carolina. Coastal site with early 18th century Historic Indian occupation and later 18th century English colonial occupation. Work conducted for the Chechessee Land and Timber Company by B and A, Atlanta.

November-December 1998; Principal Investigator, Data Recovery Excavations at the First Pensacola Lighthouse, Escambia County, Florida. Gulf Coast site with early-middle 19th century lightkeeper's residence. Work conducted for the U.S. Army Corps of Engineers, Mobile District by B. and A., Atlanta.

December 1997-February 1998; Principal Investigator/Field Director, Data Recovery Excavations at 38LX289, Lexington County, South Carolina. Upper Coastal Plain/Fall Line Sand Hills site with Archaic occupations. Work conducted for the South Carolina Department of Transportation by Brockington and Associates, Inc., Atlanta.

November 1997-February 1998; Principal Investigator, Phase I Historic Resources Survey of the Lowndes Wildlife Management Area, Lowndes County, Alabama. Over 80 sites recorded in Black Prairie region of Central Alabama. Work conducted for the U.S. Army Corps of Engineers, Mobile District by B. and A., Atlanta.

April 1997; Principal Investigator, Phase II Excavations at 1LO28, Prairie Creek Campground, R.E. "Bob" Woodruff Lake, Lowndes County, Alabama. Test excavations at Woodland (Autauga Phase) site in the Black Prairie region of Central Alabama. Work conducted for the U.S. Army Corps of Engineers, Mobile District by B. and A., Atlanta.

March 1997; Principal Investigator/Field Director, Data Recovery Excavations at 38BU306 and 38BU789, Spring Island, Beaufort County, South Carolina. Coastal Plain site with Woodland and Mississippian period occupations. Work conducted for the Spring Island Company by B and A, Atlanta

June 1996; Principal Investigator/Field Director, Phase I Historic Resources Survey of the Luxapalila Creek Dam. Lowndes County, Mississippi. Documentation and mapping of ruins of late 19th/early 20th century concrete dam in northeast Mississippi. Work conducted for the U.S. Army Corps of Engineers, Mobile District by B. and A, Atlanta.

June-July 1996; Principal Investigator/Field Director, Data Recovery Excavations at the Godley (38LX141) and Manning (38LX50) Sites, Lexington County, South Carolina. Upper Coastal Plain/Fall Line Sand Hills sites with Archaic, Woodland, Mississippian, and Historic occupations. Work conducted for the SCDOT by B. and A, Atlanta.

October, 1995; Principal Investigator/Field Director, Archaeological Survey and Testing of Sites Impacted by the Proposed U. S. Highway 27 Improvements, Clay, Early, and Randolph Counties, Georgia. Evaluation of Historic and Prehistoric sites in southwest Georgia. Work conducted for the Georgia Department of Transportation by B. and A., Atlanta.

August 1995; Principal Investigator/Field Director, Data Recovery Excavations at Three Prehistoric Loci at the Fairway Site (38HR258), Horry County, South Carolina. Coastal Plain site with Late Archaic, Woodland, and Mississippian occupations. Work conducted for Tidewater Developers by B. and A., Atlanta.

March 1995; Principal Investigator/Field Director, Data Recovery Excavations at the Tidewater Site (38HR254), Horry County, South Carolina. Coastal Plain site with Mississippian occupation. Work conducted for Tidewater Developers by B. and A., Atlanta.

October 1994; Field Director, Archaeological Testing of Ten Sites, Fort Jackson, South Carolina. Upper Coastal Plain/Fall Line Sand Hills sites with Historic and Prehistoric Historic occupations. Work conducted for the US Army Corps of Engineers, Norfolk District by B. and A., Atlanta.

October 1994; Field Director, Phase I Cultural Resources Survey of the Memphis Public Use Area, Pickens County, Alabama. Survey of "lost town" of Memphis, in northwest Alabama. Work conducted for the U.S. Army Corps of Engineers, Mobile District by B. and A., Atlanta.

August 1994; Field Director, Lake George Burial Recovery and Site Evaluation, Stewart County, Georgia. Limited testing and burial removal at Historic Indian site in southwest Georgia. Work conducted for the U.S. Army Corps of Engineers, Mobile District by B. and A., Atlanta.

July 1994; Principal Investigator/Field Director, Archaeological Survey and Testing of the Dolphin Head Recreation Area and an Adjacent One-Acre Residential Lot, Hilton Head Island, Beaufort County, South Carolina. Work conducted for private developer by B. and A., Atlanta.

June-July 1994; Principal Investigator/Field Director, Data Recovery Excavations at the Callawassie Burial Mound and Village Site (38BU19), Callawassie Island, Beaufort County, South Carolina. Coastal site with Woodland shell middens and burial mound, as well as Mississippian occupation. Work conducted for Callawassie Developers by B. and A., Atlanta.

May 1994; Field Director, Archaeological Testing of 38CH1425 (Long Creek Plantation), Charleston County, South Carolina. Coastal site with 18th/19th century occupation. Work conducted for private developer by B. and A., Atlanta.

January-March 1994; Field Director, Intensive Cultural Resources Survey of Parcels 1 and 2, Columbus/Fort Benning Land Exchange, Chattahoochee and Muskogee Counties, Georgia. B. and A., Atlanta.

May-July 1993; Field Director, Archaeological Survey of 22,003 Acres adjacent to Thurmond Lake for the Army Corps of Engineers. B. and A., Atlanta.

June 1992; Field Director, Archaeological Survey of the Georgia Department of Transportation's proposed Thompson Bypass Corridor, McDuffie County, Georgia.

1990-1992; Faunal analysis for various projects under the supervision of Dr. Elizabeth Reitz. University of Georgia Zooarchaeology Lab, Georgia Natural History Museum.

April 1992; Field Director, Archaeological Survey of the Proposed State Road 72 Widening Corridor, Clarke and Madison Counties, Georgia. B. and A., Atlanta.

April 1992; Field Director, Archaeological Survey of Oglethorpe Power Company's proposed Pennington Substation, Morgan County, Georgia. B. and A., Atlanta.

December-January 1991-92; Field Director, Archaeological Survey along the Etowah River near Cartersville, Bartow County, Georgia. University of Georgia Department of Anthropology and the Georgia Department of Natural Resources, under supervision of Dr. David J. Hally.

June 1991; Field Director, Archaeological Survey of the 300 Acre Belle Hall Tract, Charleston County South Carolina, Brockington and Associates.

May 1991; Field Director, Archaeological Survey of the Brevard 44KV Transmission Line Corridor, with Limited Testing at 31TV1, Transylvania County, North Carolina, Brockington and Associates.

November-May 1991; Faunal Analysis of various projects for the Museum of Natural History, University of Georgia under the supervision of Dr. Elizabeth Reitz.

November 1990; Assistant Field Director, Archaeological Survey of Devil's Fork State Park, Oconee County, South Carolina, Brockington and Associates.

August-September 1990; Assistant Field Director, Archaeological Survey at Kerr Lake, North Carolina and Virginia (Army Corps of Engineers), Brockington and Associates.

July 1990; Archaeological Technician, Spanish Pointe Data Recovery, Hilton Head Island, SC, Brockington and Associates.

July 1990; Archaeological Technician, Drayton Hall Survey, Charleston County, SC, Brockington and Associates.

July 1990; Archaeological Technician, Coast Guard Station Testing and Data Recovery, Wilmington, NC, Brockington and Associates.

April 1990; Archaeological Technician, Testing of Three Sites in the Witherbee District, Francis Marion National Forest, SC (B and A, Atlanta).

September 1989-June 1990; part time Curation Assistant at Laboratory of Archaeology, University of Georgia, Athens.

July-August 1989; Field Director, Archaeological Testing at Bloody Point, Daufuskie Island, Beaufort County, SC (B and A, Atlanta).

June 1989; Field Director, Archaeological Survey and Testing of Jocassee to Tuckaseegee Transmission Corridor Realignment (B and A, Atlanta).

June 1989; Archaeological Technician, Archaeological Testing of the Dorn Mill NRHP Site, McCormick County, South Carolina (B and A, Atlanta).

January-June 1989; Curation Assistant at Laboratory of Archaeology, University of Georgia, Athens.

September/October 1988; Field Director, Survey of 42 acres and testing of 38BU326 and 38BU327 on Ribaut Island, Beaufort County, South Carolina (B and A, Atlanta).

September 1988; Field Director, Survey of 541 acres at the Bloody Point Tract, Daufuskie Island, Beaufort County, SC (B and A, Atlanta).

August 1988; Archaeological Technician, Site Specific Survey at Camp Lejeune Marine Corp Base, Onslow County, NC (B and A, Atlanta).

July 1988; Field Director, Survey of 840 acre Parker Island, Charleston County, SC (B and A, Atlanta).

April-May 1988; Archaeological Technician, Data Recovery at Minim Island, SC, for the USCOE-Charleston District (B and A, Atlanta).

March 1988; Assistant Field Director, survey of the Jocassee-Tuckaseegee Corridor, NC-SC Mountains, for Duke Power Company (B and A, Atlanta).

January-February 1988; Archaeological Technician, survey of A-1 Recreation Area, for Georgia Power Company, B and A.

October 1987; Archaeological Technician, survey of C-5 Recreation Area, for Georgia Power Company. B and A.

September 1987; Archaeological Technician, reconnaissance of Dewees Island, South Carolina, for Newkirk Environmental Consultants, B and A.

August, November 1987; Assistant Field Director, survey and testing of the proposed Little River Neck Golf Course, SC. B and A.

August 1987; Archaeologist, survey of the proposed Prestwicke Development, Myrtle Beach, SC. B and A.

June-July 1987; Assistant Field Director, survey of proposed Coley Creek Facility, NC/SC Mountains, for Duke Power Company, B and A.

June 1987; Archaeological Technician, survey of 302 acre proposed reservoir, Henry County, Georgia, for Clayton County, B and A.

May 1987; Archaeological Technician, survey of 160 acre Palmetto Fort Tract, Coastal South Carolina, for Newkirk Environmental Consultants, B and A.

April 1987; Archaeological Technician, survey of 2,000 acre Arcadia Tract, Coastal South Carolina, for North Inlet Corp., B and A.

March 1987; Archaeological Technician, site specific survey of Prospect Hill Plantation, Charleston County, SC, for Tang Investments, B and A.

March 1987; Archaeological Technician, archaeological reconnaissance of proposed borrow pit areas in Horry County, SC, for the USACE-Charleston, B and A.

February-March 1987; Archaeological Technician on the data recovery controlled stripping of two sites, for ANR Pipeline, Inc., Northeastern Louisiana (Brockington and Associates, Inc., Atlanta).

February 1987; Archaeological Technician, survey of the Charlotte Outer Loop, Mecklenburg County, North Carolina with Garrow & Associates (G & A), Atlanta.

January 1987; Archaeological Technician on the testing of seven prehistoric sites, for ANR Pipeline, Inc., Northeastern Louisiana, B and A.

December 1986; Archaeological Technician on the controlled stripping of Area II, 8Da411, Dade County Florida, for Capeletti Bros., Inc., G & A.

August-October 1986; Archaeological Technician for the survey and testing at Robins Air Force Base, GA, for the National Park Service, G & A.

August 1986; Archaeological Technician for the Data Recovery at the Soapstone Ridge Quarry, for Waste Management Inc., G & A.

June-July 1986; Archaeological Technician on the archaeological survey of six sites in the Voice of America Radio Relay Station Tract, Cabo Rojo, Puerto Rico, for the USCOE, G & A.

April-May 1986; Archaeological Technician for the Data Recovery Excavations at GP-JO-05, for Georgia Power Company, G & A.

December 1985-January 1986; Archaeological Technician for the testing of various sites, Effingham County, GA, for the Fort Howard Paper Company, G & A.

November 1985; Archaeological Technician for the Dunlap Site Testing, Darlington County, SC, with the South Carolina Institute of Anthropology and Archaeology.

October-November 1985; Archaeological Technician for the Skidaway Island (GA) survey, for the Landing, G & A.

August-October 1985; Archaeological Technician for data recovery excavations, 38SU83, for the SCDOHPT, G & A.

August 1985; Archaeological Technician for the testing at GP-JO-05, Jones County, GA, for Georgia Power Company, G & A.

May-July 1985; Archaeological Technician for testing and data recovery on various sites, Screven County, GA, for the Georgia Power Company, G & A.

March 1985; Archaeological Technician for testing, Drayton Hall, Charleston County, SC, for the National Trust for Historic Preservation.

November 1984; Archaeological Technician on the phase 2 survey, Tyroza Basin, Arkansas, for the Soil Conservation Service, with Mid-Continental Research Associates.

May-October 1983; Archaeological Technician for the Daniel Island (SC) data recovery project for the SCDOHPT, with Carolina Archaeological Services.

REPORTS AND PUBLICATIONS

2005 Southerlin, Bobby
Archaeological Evaluation of the Riverside Court and Park Court Gas Service Lines, Cartersville, Georgia (prepared for City of Cartersville). Archaeological Consultants of the Carolinas, Inc., Raleigh, North Carolina.

2005 Southlerlin, Bobby
Archaeological Assessment of the Carter Grove Plantation Sewer Line and Lift Station Number One, Cartersville, Georgia (prepared for Smith & Smith). ACC, Inc., Raleigh, NC.

2005 O'Neal, Michael, Bobby Southerlin, and MacKensie Cornelius
Cultural Resources Survey and Archaeological Testing at the South Island Plantation Tract, Georgetown County, South Carolina (prepared for DDC). ACC, Inc., Raleigh, NC.

2004 O'Neal, Michael and Bobby Southerlin
Archaeological Survey of the 230 kV Steelberry Transmission Line Relocation Corridor, Gaston and Mecklenburg Counties, North Carolina (prepared for Framatome, ANP). ACC, Inc., Raleigh, NC.

2004 Southerlin, Bobby
Archaeological Evaluation of the Douthit Ferry Road National Gas Main Extension, Cartersville, Georgia (prepared for City of Cartersville). ACC, Inc., Raleigh, NC.

2004 Southerlin, Bobby, Michael O'Neal, and MacKensie Cornelius

Archaeological Assessment of the Victory Trail Tract, Cherokee County, South Carolina (prepared for ENSR). ACC, Inc., Raleigh, NC.

2004 Southerlin, Bobby and Dawn Reid
Archaeological Site Delineation and Evaluation of 38HR508 at the Scotty Smith Property (prepared for ENSR). ACC, Inc., Raleigh, NC.

2004 Southerlin, Bobby
Archaeological Evaluation of the Nancy Creek Sewer Line, Bartow County, Georgia (prepared for Bartow County Water Department). ACC, Inc., Raleigh, NC.

2004 Southerlin, Bobby and Rachel Tibbetts
Archaeological Survey of the Neuse River East Parallel Interceptor Sewer Line, Wake County, North Carolina (prepared for Robert J. Goldstein). ACC, Inc., Raleigh, NC.

2004 Southerlin, Bobby and Rachel Tibbetts
Cultural Resources Survey of the Cross Roads 100 kV Transmission Line and Substation Tract, Pickens County, South Carolina (prepared for Framatome, ANP). ACC, Inc., Raleigh, NC.

2004 Southerlin, Bobby and Dawn Reid
Cultural Resources Siting Study of the Scuffletown III Tract, Greenville and Laurens Counties, South Carolina (prepared for Framatome, ANP). ACC, Inc., Raleigh, NC.

2003 Reid, Dawn and Bobby Southerlin
Archaeological Survey and Testing at the Glen Dornoch Golf Course, Horry County, South Carolina (prepared for WESI). ACC, Inc., Raleigh, NC.

2003 Southerlin, Bobby, Rachel Tibbetts, Jeff Holland, and William Green
Archaeological Survey and Evaluation of 392 Acres of Pine Beetle Salvage Areas in Sumter National Forest, Edgefield and McCormick Counties, South Carolina (prepared for the United States Forest Service). ACC, Inc., Raleigh, NC.

2003 Southerlin, Bobby, Elizabeth Haywood, Patrick Hendrix, and Dawn Reid
Archaeological Survey and Evaluation of the Bright's Creek Tract, Polk County, North Carolina (prepared for LandDesign). ACC, Inc., Raleigh, NC.

2003 Southerlin, Bobby and Dawn Reid
Cultural Resources Survey of the Bridgewater Paddy Creek Borrow Tracts, Burke and McDowell Counties, North Carolina (prepared for Framatome, ANP). ACC, Inc., Raleigh, NC.

2003 Southerlin, Bobby, Julie Wilburn Peeler, Dawn Reid, and Rachel Tibbetts
Archaeological Evaluation of the Rockmart Highway Water System Improvements, Bartow County, Georgia (prepared for the Bartow County Water Department). Brockington and Associates, Inc., Raleigh, NC.

2003 Southerlin, Bobby
Archaeological Evaluation of the 84 Lumber Tract, Bartow County, Georgia (prepared for 84 Lumber). B and A, Raleigh, NC.

2003 Southerlin, Bobby, Joseph C. Sanders, Michael K. O'Neal, and David Jenkins
Cultural Resources Survey of the 115 kV portion of the Columbia Energy Center Transmission Line, Calhoun and

Lexington Counties, South Carolina (conducted for Burns and McDonnell and SCE&G). B and A, Raleigh, NC.

2003 Southerlin, Bobby, Joseph C. Sanders, Michael K. O'Neal, and David Jenkins
Cultural Resources Survey of the 230 kV portion of the Columbia Energy Center Transmission Line, Richland and Calhoun Counties, South Carolina (conducted for Burns and McDonnell and SCE&G). B and A, Raleigh, NC.

2002 Southerlin, Bobby, Joseph L. Tippet, Michael O'Neal, and Bruce Harvey
Cultural Resources Investigation of the Brownfield Tract, Wake County, North Carolina (conducted for Joyce Engineering). B and A, Raleigh, NC.

2002 O'Neal, Mike, Carrie Collins, Sharon Penton and Bobby Southerlin
Cultural Resources Evaluation of Hickory Regional Airport, Burke County, North Carolina (for Talbert & Bright, Inc.). B and A, Raleigh, NC.

2002 William Green, Chester DePratter, and Bobby Southerlin
The Yamasee in South Carolina: Native American Adaptations and Interactions along the Carolina Frontier, in Another's Country, edited by Joe Joseph and Martha Zierden. University of Alabama Press, Tuscaloosa, AL.

2002 Bobby Southerlin, Dawn Reid, Joseph Sanders, Nike O'Neal, and David Jenkins
Cultural Resources Survey of the 230 kV Portion of the Columbia Energy Center Project, Calhoun and Richland Counties, South Carolina (conducted for Burns & McDonnell and SCE&G). B and A, Raleigh, NC.

2001 Bobby Southerlin, Dawn Reid, Connie Huddleston, Alana Lynch, and Dea Mozigo
Return of the Yamasee: Archaeological data Recovery at Chechesey Old field, Beaufort County, South Carolina (conducted for the Chechessee Land and Timber Company). B and A, Raleigh, NC.

2001 Bobby Southerlin, Dawn Reid, and Helen Mazzeo
Phase I (Stage IA/IB) Archaeological Survey, Fort Buchanan, Bayamon and Guaynabo, Puerto Rico (conducted for the US Army Corps of Engineers, Mobile District). B and A, Raleigh, NC.

2001 Jill Olsen, Joseph Sanders, and Bobby Southerlin
Archaeological Survey of a Proposed Landfill Borrow Pit at Camp Lejeune Marine Corps Base, Onslow County, North Carolina (conducted for Avolis Engineering and Camp Lejeune Marine Base). B and A, Raleigh, NC.

2001 Joseph Sanders, Jill Olsen, Pat Hendricks, and Bobby Southerlin
Cultural Resources Survey of the Town Center Tract, Horry County, South Carolina (conducted for International Paper Realty Corporation). B and A, Raleigh, NC.

2001 David Jenkins, Jill Olsen, and Bobby Southerlin
Archaeological Survey of the Jefferson Lateral Natural Gas Pipeline, Watauga and Ashe Counties, North Carolina (conducted for RKK Engineering and Frontier Energy). B and A, Raleigh, NC.

2001 Joseph Sanders and Bobby Southerlin
Cultural Resources Survey of the Boone Lateral Natural Gas Pipeline, Watauga and Wilkes Counties, North Carolina (conducted for Frontier Energy). B and A, Raleigh, NC.

2000 Bobby Southerlin, Dawn Reid, Helen Mazzeo, and Joseph Sanders
Phase I Historic Resources Survey of Groundwater Contamination Remediation Areas Associated with Milan Army Ammunition Plant. Gibson and Carroll Counties, Tennessee (conducted for the US Army Corps of

Engineers, Mobile District). B and A, Raleigh, NC.

2000 Bobby Southerlin

Archaeological Survey and Site Evaluation at the Masons Bluff Tract, New Hanover County, North Carolina (conducted for Galarde & Company, Inc.). B and A, Raleigh, NC.

2000 Bobby Southerlin, Dawn Reid, Joseph Charles, David Leigh, and Dea Mozingo

The Bobby Jones Expressway Extension: Archaeological Investigations at 38 RI88 and 38AK741, Richmond County, Georgia and Aiken County, South Carolina. (Conducted for the South Carolina and Georgia Departments of transportation). B and A, Atlanta, GA.

2000 Bobby Southerlin, Dawn Reid, Connie Huddleston, Caleb Smith, Davis Leigh, and Thomas Neumann

The Twelfth Street Extension Project: Investigations at the Godley (38LX141) and Manning (38LX50) Sites, Lexington County, South Carolina (conducted for the South Carolina Department of Transportation). B. and A, Atlanta.

1999 Bobby Southerlin

Archaeological Testing at the Cedar Point Development Tract, Beaufort County, South Carolina.(conducted for the Chechessee Land and Timber Company). B and A, Atlanta, NC.

1998 Bobby Southerlin, Bruce Harvey, and Dawn Reid

Phase I Historic Resources Survey Along Luxapalila Creek and at the Remains of a Historic Mill (22LO948), Lowndes County, Mississippi (conducted for the US Army Corps of Engineers, Mobile District). B and A, Atlanta, GA.

1998 Bobby Southerlin, Bruce Harvey, Dawn Reid, Tom Whitley, and Elliott Wright

Phase I Historic Resources Survey, Lowndes Wildlife Management Area, Lowndes County, Alabama (conducted for the US Army Corps of Engineers, Mobile District). B and A, Atlanta, GA.

1998 Bobby Southerlin, Dawn Reid, Connie Huddleston, Christopher Espenshade, Thomas Neumann, and Andrea Shea

Data Recovery Investigations in the Marsh Lots of the Callawassie Island Burial Mound and Village Site (38BU19), Callawassie Island, Beaufort County, South Carolina (conducted for the Callawassie Island Development Corporation). B and A, Atlanta.

1997 Bobby Southerlin, Dawn Reid, Connie Huddleston, Thomas Neumann, and Andrea Shea

Data Recovery excavations at 38BU306 and 38BU789: Paleoindian and Mississippian Occupations on Spring Island, Beaufort County, South Carolina (conducted for the Spring Island Development Corporation). B and A, Atlanta.

1997 Bobby Southerlin and Dawn Reid

Phase II Excavations at 1LO28, Prairie Creek Campground, R.E. "Bob" Woodruff Lake, Lowndes County, Alabama (conducted for the US Army Corps of Engineers, Mobile District). B and A, Atlanta, GA.

1997 Caleb Smith and Bobby Southerlin

Historic Resources Reconnaissance of Section 205 Projects, Albany, Dougherty County, Georgia (conducted for the US Army Corps of Engineers, Mobile District). B and A, Atlanta, GA.

1996 Bobby Southerlin, Marian Roberts, and Caleb Smith

Phase I Historic Resources Survey of the Luxapalila Creek Dam, Lowndes County, Alabama (conducted for the US Army Corps of Engineers, Mobile District). B and A, Atlanta, GA.

1996 Bobby G. Southerlin

Dietary Studies in Old Mount Pleasant: A Discussion of Faunal Assemblages From 38CH1080 and 38CH 1479, In Mount Pleasant's Archaeological Heritage, Edited by A.T. McCandless for the Town of Mount Pleasant

1996 Bobby G. Southerlin, Dawn Reid, Connie Huddleston, Christopher T. Espenshade, John Foss, and Linda Kennedy

And The Coosa Between Them: Archaeological Investigations of Sites 9FL203 and 9FL206, Floyd County, Georgia. Brockington and Associates, Atlanta.

1995 Bobby G. Southerlin, Dawn Reid, James Hill, Eric Poplin, and Paul Brockington

Archaeological Testing of Ten Sites, Fort Jackson, South Carolina. B and A, Atlanta.

1995 Bobby G. Southerlin, Marian Roberts, Dawn Reid, and Jeff Gardner

Phase I Cultural Resources Survey of the Memphis Public Use Area, Pickens County, Alabama. B and A, Atlanta.

1995 Bobby Southerlin, Dawn Reid , and Jeffery Garner.

Prehistoric Burial Recovery and Archaeological Evaluation of Site 9SW70, Lake Walter F. George, Stewart County, Georgia. B. and A., Atlanta.
